

Comprehensive Harm Reduction Coordinator

The Comprehensive Harm Reduction Coordinator (CHRC) will be responsible for oversight of all program aspects and will report directly to the Outreach Director, assisting with grant-mandated data collection and reporting. They, with guidance from the Outreach Director, will provide supervision, evaluation, and management to the CHR Navigator and the CHR Outreach Worker. The CHRC will advocate on behalf of participants for services, resources, and support as needed. The CHRC will attend meetings and trainings with the CHR team and other Nationz staff as well as help advise and organize the program's growth and development, including program policies and procedures.

They, along with the other CHR Associates will assist program participants who need wound care treatment, basic medical and primary care coordination assistance, and other needs that participants present with including housing, dental, ID and documents, benefits assistance, Intimate Partner Violence/Domestic Violence (IPV/DV) crisis coordination, etc. This position will also have the capacity for STI, HIV, and Hepatitis C testing and counseling and must become certified in Rapid HIV Testing and Linkage to Care. At the program launch, there will be two fixed sites and three remote/mobile locations.

Nationz expects individuals to commit to our mission and values. Candidate must be able to work in a team environment with staff, volunteers, and collaborative partners from other Community-Based Organizations (CBO's), as well as work independently. Some evening and weekend work is required. A successful candidate must possess skills that support and enable sound decision-making, strong personal and professional boundaries, good judgment, and discretion.

- Knowledge of harm reduction principles and substance use issues, either through lived experience or past work experience, preferred.
- Comfortable working without judgment with persons who actively use drugs and understand how drugs and drug policy have affected the community.
- Communication skills to facilitate a dialog between the CHR program and its participants. Can communicate with participants to organize a Drug Using Advisory Board and act as a bridge to the active using community.

- Be willing to obtain Rapid HIV Testing and Linkage to Care certification, if not already certified
- Be willing to receive training to become trauma informed and interact with a diverse team.
- Be willing to receive training to dispense and train others on how to use naloxone.
- Understands social justice and can serve participants regardless of race, national origin, sex, gender, sexual orientation, gender identity/expression, age, religion, or disability.
- Should be confident navigating services in different community settings including direct street outreach.
- Other duties as assigned.
